Ninth International Conference on Advances in Computer Engineering – ACE2019, is scheduled to be held **Jan 23-24, 2019 in Trivandrum, India.** The mission of the **ACE 2019** International Conference is to bring together innovative academics and industrial experts in the field of Computer Science, Information Technology, Computational Engineering, Communication and Security to a common forum, where a constructive dialog on theoretical concepts, practical ideas and results of the state of the art will be developed.

The **ACE** conference is jointly organised by the **IDES** and the **Association of Computer Electrical Electronics and Communication Engineers (ACEECom).** All the accepted registered papers will be published by the **Grenze Scientific Society** and it will be made available in the **Grenze Digital Library,** and will be submitted to possible indexing in all the major indexing services like **EI, ISI Web of Science, DBLP, IET Inspec, Scopus** and etc.

International Conference on Advances in Computer Engineering, **ACE 2019,** is an international conference where theory, practices, and applications of Computational Engineering, Computer and Telecommunication Technology and related topics are presented and discussed. Original contributions are solicited on topics covered under broad areas such as (but not limited to):

Track1 - Computer systems & Modelling
Track2 - Database & Data Mining
Track3 - Intelligent systems
Track4 - Gaming & Animation
Track5 - VLSI & Embeded Systems
Track6 - Image processing
Track7 - Security & Encryption
Track8 - Parallel and Distributed computing
Track9 - Information Systems
Track10 - Software Engineering
Track11 - Mobile & Ubiquitous computing
Track12 - Data Communication & Networking

Prospective authors are invited to submit full (original) research papers (which are NOT submitted/published/under consideration anywhere in other conferences/journals) in electronic (PDF only) format through the **CMT Conference Management** System or via email **ides.ace.chair@gmail.com**
